

Seventh Report on Short-term Mission Trip (12-19 November 2005)

The last day of seven days mission trip

18 November

Exhausted by not worn out. After traveling and working seven days we came to the last day at Fang before going to Chiangmai and fly back to Hong Kong and Australia.

Early morning we went to the nearby market and had our breakfast 'white congee.' Then we went to school again and offered our dental services to some villagers and our friends foreign missionaries who work in Fang.

We left Fang to Chiangmai by a truck and a van at 2 PM. In the evening in Chiangmai we had a very relaxing traditional Thai dancing and local Thai food at cultural centre. Later on five people went to night market and eight people went to have Thai massage. It may be relaxing for some but also hurting and painful for others.
